INTRODUCTION TO DANCE

- Dance is a universal language of expression.
- It combines movement, rhythm, and emotion.
- Found in every culture and age group.

The background features two abstract, geometric-style silhouettes of dancers in dynamic poses. One is in the upper left, wearing a purple, blue, orange, and white geometric pattern. The other is in the upper right, wearing a similar geometric pattern. A central silhouette of a dancer in black is shown in profile, facing right, with its arms raised. The overall aesthetic is modern and artistic.

HISTORY OF DANCE

- ANCIENT CIVILIZATIONS USED DANCE IN RITUALS AND STORYTELLING.
-
- EXAMPLES: EGYPTIAN TEMPLE DANCES, INDIAN BHARATANATYAM, AFRICAN TRIBAL DANCES.
-
- DANCE EVOLVED INTO ART, ENTERTAINMENT, AND SPORT OVER CENTURIES.
